

10990

1-Year Limited Warranty

BATTERY INSTRUCTIONS:

- 2 AA batteries are included
- Remove insulator from batteries before use
- Twist the body of the light counterclockwise so the arrows are no longer aligned
- Remove the old batteries and insert batteries in correct polarity direction from the diagram above; always replace with new AA batteries — never mix old and new batteries
- Re-assemble and lock by twisting the body clockwise and aligning the arrows
- Failure to insert batteries in the correct polarity as indicated in the diagram may shorten the life of the batteries or cause batteries to leak
- Do not dispose of batteries in fire — batteries should always be recycled or disposed of as per state and local guidelines

10990

1-Year Limited Warranty

Prop 65 Compliant
