

KEYSTONE TIP DEMOLITION SCREWDRIVERS

It's a screwdriver on steroids. Pounding, prying, chiseling - no problem. A metal strike cap and through shaft can handle just about everything you put in front of it.

Rugged and Durable

Designed to last with a heat-treated, chrome-plated through shaft and metal strike cap.

More Torque

A slip-resistant grip allows for maximum leverage.

Secure Fit

A machined tip allows for a better fit.
