

DRILL-TAP TOOL KIT

This convenient kit comes with 6 commonly-used sizes of tap tools to drill, tap and deburr in one easy step. Each works easily with the quick connect in power tools. Included carrying case keeps your taps in one place for immediate access.

- For aluminum, brass, copper, plastic, and mild steel.
- For use on up to 10 gauge metal.
- 1/4" hex for easier application with quick connect.
- Set of six tap sizes plus two extra of the smallest taps.
- Made of high speed steel for added durability.
