**The convenient wire stripping notches on the back of the blade accommodate three sizes.**

(10 SLD/12 STR, 12 SLD/14 STR and 14 SLD/16 STR)

**Pocket clip** on back for easy storage

**K**lein's new tool isn't just a pocket knife, it's a stripper and a driver too. This knife has three wire stripping notches on the back of the full-sized, stainless steel drop point blade, as well as featuring a handy No. 2 Phillips screwdriver smartly tucked into the handle. **Klein Tools** pocket knives are high quality, easy to carry and durable with long-lasting, sharp blades. The Electrician's Pocket Knife is three tools in one, saving multiple trips to the tool bag.

**No. 2 Phillips driver,** the most versatile size

**Rugged** aluminum handle

**Liner locking blade** secures the blade when open

**Three wire stripping notches** on the back of the blade

**Fine edge** drop point blade made of 440A stainless steel
