

RIDGID®

Compact² Camera Reel

Small Footprint, Big performance. The SeeSnake® Compact² camera reel offers fast, easy setup and can take on the most diverse and demanding inspection conditions.

- Designed to inspect lines from 1.5" to 6"
- Features a self-leveling camera for a crisp, clear, in-pipe image that is always upright
- Push cable stiff enough to give you the power to push through small or restricted pipes, yet flexible enough to make multiple tight turns
- Use the integrated 512 Hz sonde and a receiver to locate points of interest that have been found in the pipe
- Quick-release docking system provides fast, efficient job setup
- Tilt the CS6Pak or new CS6xPak monitor to the desired viewing angle while docked or easily remove it from the dock for convenient placement in your work area
