

RIDGID®

K-5208 Drain Cleaner

Clean drains from 2" – 8" with the most powerful and compact sectional machine on the market.

Power in a small package

- 3/4 HP motor spins 7/8" and 1-1/4" Sectional Cable at 700 RPM
- 71% Smaller Footprint and 35% Less Weight than comparable RIDGID® Sectional Machine
- Clean 2" to 8" drain lines, up to 200'

Efficiency to get done faster

- Adjust the clutch size without any tools to accommodate both 7/8" and 1-1/4" Sectional Cables
- Cable carrying system to ease loading and unloading of cables
- Trident Sectional Cable Decoupler to separate couplings quickly

Cleanliness on a dirty job

- Internal machine fluid management to contain the mess on the job
- Enclosed Cable Carrying Drum to protect the work environment
- Locking pin to ensure rear guide hose stays in place
