RECHARGEABLE SELF-LEVELING GREEN PLANAR LASER LEVEL

The Klein Tools' Rechargeable Self-Leveling Green Planar Laser Level is a high-performance laser leveling and alignment tool for professionals. Clear, bright green 360° lines in the X, Y, & Z planes project from this level, and offers plumb up and plumb down spots. Equipped with an integrated magnetic mount and 1/4-20 tripod mounting threads, Klein's self-leveling laser level enables a multitude of alignment and layout applications.

**KLEIN TOOLS' TRIPOD (CAT. NO. 69345)
HAS A STANDARD 1/4-20 THREAD
