

Diagonal Cutting Pliers, Electronics Nickel Ribbon Wire Cutter,
4-Inch

These 4-inch Klein Tools Midget Electronics Diagonal Cutting Pliers have a semi-flush design to cut nickel ribbon wire. The nose tip is 1/32-inch and the tip cutting knife is 3/16-inch for precision in tight areas. Finally the pliers are forged from US steel and have induction hardened cutting knives and a hot-riveted joint for a long lasting smooth action.
