

Model: EL GAUGE

KEY FEATURES

- Entire dial face illuminates for 30-35 sec. when button pressed
- Exclusive GEL™ (Gauge - Electro - Luminescent) technology
- Approximately 2 year battery life using two CR2032 lithium batteries (included)
- 68mm easy-to-read dial face w/front calibration access port
- Ideal for low light or dark work environments; 24 hr service calls, mechanical rooms, attics, basements, etc.

The quality you need, in the tools you want!

Introducing the most illuminating advancement in pressure gauge technology today, PRO-SET® GEL. Traditional steel dial faces have been replaced with advanced electroluminescent gauge panels to allow instant illumination of the entire gauge face at the touch of a button. No fragile bulbs, LEDs, glow-in-the-dark materials, flashlights or other light emitting sources are required. Just press the button at the top of each gauge and the entire dial face illuminates for a full 30-35 seconds, then automatically turns off. It's just that simple.

Part No.	Description
RGH6H	EL Gauge HI R-410A, 22, 404A 68mm PSI/°F
RGH6L	EL Gauge LO R-410A, 22, 404A 68mm PSI/°F
RGH6SET	EL Gauge Set HI/LO R-410A, 22, 404A 68mm PSI/°F
RGT6H	EL Gauge HI R-22, 134a, 404A 68mm PSI/KPa °C
RGT6L	EL Gauge LO R-22, 134a, 404A 68mm PSI/KPa °C
RGT6SET	EL Gauge SET HI/LO R-22, 134a 404A 68mm PSI/KPa °C
RGV6H	EL Gauge HI R-134a, 22, 404A 68mm BAR/PSI °C
RGV6L	EL Gauge LO R-134a, 22, 404A 68mm BAR/PSI °C
RGV6SET	EL Gauge HI/LO R-134a, 22, 404a 68mm BAR/PSI °C

Compatible with most common manifold brands!
